Our hotel is located in Belek-Boğazkent region which is only 40 km away from Antalya International Airport, and at 50 km away from the city center of Antalya.

With its aesthetically pleasing architecture, our hotel has only **family rooms** which are comfortable and spacious, all our rooms are of the same standard; totally 36m<sup>2</sup> in size consist of two separate bedrooms, one has a double bed (French bed) and the other one has two single beds and a shared bathroom -especially tailored for family holidays.

Our hotel shares 100 m long and 200 m wide private fine pebble beach with its sister hotel Waterworld Resort & SPA. The facility has total capacity of 142 family rooms, consists a five-story block and a four-story block in 5.700 m<sup>2</sup>. With other areas the facility covers a total area of 11.500 m<sup>2</sup>.

There is a swimming pool for two separate blocks and there are two separate aqua parks for both children and adults which is designed for an unforgettable holiday for families in mind.

Our 'All Inclusive' concept starts with a warm welcome to our guests upon arrival by offering them Turkish traditional sweet called "cezerye" and a glass of Turkish fresh fruit drink called "sherbet". To grant our guests a pleasant stay, we continue showing gesture of our traditional Turkish hospitality, including a wide range of delicious food and drinks for 24 hours.

At our main hotel Waterworld Resort & SPA, there is a fully equipped SPA, health and beauty center (skin and body treatment) which has Bali type massage units, special jet showers, relaxation beds, special Jacuzzi, open massage sections and other facilities, which are presented to the service of our valued guests.

All our rooms are comfortably decorated and designed for a superb family holiday also all are non-smoking rooms. Room amenities: laminate floor and ceramic floor, balcony, key-card system, central air conditioning, satellite TV and music channel, mini bar, safe box (large enough to store most laptops), direct dial telephone, wireless internet, fire alarm and extinguishing system, 220v 50Hz Type F power socket.
